

CLIP AND SAVE FOR ST. BRENDAN'S!

Box Tops for Education and **Tyson Project A+** are two of the fundraising programs we are participating in this school year to raise money for St. Brendan's. We will have class competitions for collecting **Box Tops** and **Tyson Project A+** labels in the months of September, January and April. There will be two winning classes for each competition: one from Preschool through 4th grade and one from 5th grade through 8th grade. We will account for variation in class size to ensure competition fairness. Additionally, there will be monthly prize drawings for all students who have submitted a minimum of \$1.50 worth of **Box Tops** and/or **Tyson Project A+** labels. **Box Tops** are worth 10¢ each and **Tyson Project A+** labels are worth 25¢ each. Our goal this year is to raise \$1,800 for St. Brendan's! Outside of your household collection, please consider asking others like extended family members (grandparents, aunts, uncles, etc.), neighbors, or coworkers to clip and save for you. Please also visit the **Box Tops** website, www.BTFE.com, for additional opportunities to earn money for our school. Let's get some free money for SBS!

Please contact me with any questions at lbrasse4@gmail.com. Thanks for participating!
