So in that first reading this morning we were told of God's plan to send a messenger. As Catholics we know that we have been given the ultimate messenger, Jesus Christ - God in the flesh.

During His time on this earth, Jesus established a Church, our Catholic Faith and commanded us to go and make disciples of all nations - the Great Commission. The point is that we are sent. God gives each of us a specific mission to fulfill. If you do not fulfill it, perhaps it will never get done.

Today, embrace the calling, embrace the fact that God wants our service in His Mission. God chose us, not out of obligation, but out of pure love for us. Now it is our turn to love God by making His name known and revealing His love on the path and mission to which He has sent us.
