## I. PUPIL INFORMATION

### A. ABSENCES

When absences occur, the following procedures need to be observed:

1. Parents must call (emails are not acceptable) the school office by 8:30am each day a child is absent. When the student returns to school they must bring a written statement indicating the date and reason for the absence or the absence is considered unexcused and therefore, the child is truant. Chronic and habitual unexcused absences will be reported to the juvenile court.
2. If a child is absent due to a contagious disease or serious injury (i.e. strains, sprains, or bone fractures) a written note from the doctor is required. The note must include an explanation of the illness or injury and any limitations the school needs to be aware of, and when the child may return to school and/or resume regular activities.
3. A student must be excused from the office when leaving before dismissal. Parents are required to sign the student out before they leave the building.
4. In cases of an out of school suspension, grades may not be given for tests and work missed. However, all work must be completed and submitted to the respective teacher within the allotted time given.
5. Parents should notify the school office and classroom teachers in advance, if going on vacation during the school year. Class assignments and homework will NOT be given in advance to take on the trip. Make-up work will be given to the student when they return to school. The student will have the same number of days to complete the assignments as they were absent.
6. It is the student's responsibility to get their make-up work due to absences. They are to follow the procedures established by the classroom teacher(s).
7. Students who are absent 10 days or more with in one quarter, will require a note from the doctor certifying the necessity of absence to return to school from that point forward through the end of the school year.
8. Arriving at school after 8:30am and before 11am will be considered a ½ day absence.  
Leaving school after 11am will be considered a ½ day absence.  
Leaving school before 9am for the day will be considered a full day absence.

### B. ADMISSION AND READMISSION ARE ON AN ANNUAL SCHOOL YEAR BASIS

St. Brendan School will admit students without discrimination on the basis of race, sex, or Religion. According to the School Laws of Ohio, a child who will attain five years of age before September 30<sup>th</sup> of the current school year may enter Kindergarten. A child who will attain six years of age on or before September 30<sup>th</sup> of the current school year may enter first grade.

In order to be considered enrolled in SBS: the annual **non-refundable** fee must be paid, the application/re-enrollment form submitted, and confirmation from the school office that all paperwork is in order received.

Students may conditionally be admitted/re-admitted or placed on probationary acceptance if the principal and/or pastor deems necessary.

### **C. ATTENDANCE**

Regular attendance and diligent application to study are essential for scholastic success. If a student is absent one-half of a report card period, teachers may withhold grades for that period. Students who miss thirty days or more may be required to repeat their grade. If the absence is due to hospitalization, parents should seek tutoring for their child. Students must make up work as per the classroom teacher's policy. Schoolwork will not be sent home to children having a contagious disease (chicken pox, pink eye, etcetera).

### **D. BIRTHDAY BOOK CLUB**

The library is greatly enriched by contributions from the Birthday Book Club. Students may choose a new book from our special collection to give to the library for a donation of \$7.00. This may be done on their birthday or at any time during the school year. A dedication slip with their name is placed in the chosen book and a birthday candle with their name on it is placed in a designated area of the library.

### **E. BIRTHDAYS**

food items are NOT permitted to be distributed for a birthday or with the intention of classmates bringing the treat home

pencils, erasers, non-food items and the like are acceptable

passing out invitations for private parties in school/on school grounds is not permitted

students may wear spirit wear on their birthday (or half birthday if it falls in the summer months)

\*see spirit wear guidelines on page 15

contact the teacher if you would like to discuss suggested birthday plans, at least 24 hours in advance

### **F. BUS GUIDELINES**

Bus guards are assigned by the teachers to assist the students getting on the bus at dismissal.

Students riding the school buses are expected to follow the rules and regulations stated by the Transportation Departments.

Changes in destination or switching busses are not permitted, per the Transportation Departments.

The bus driver will write up a student for rule and policy infractions. Bus infractions may result in a suspension or expulsion from riding the school bus.

Concerns should be addressed with the Transportation Department first. If the matter is not resolved, then the school will become involved.

### **G. CALENDAR**

Saint Brendan School distributes a yearly calendar. Please retain this calendar all year. Refer to the weekly, Friday update, the calendar on the school website as well as reminders and updates sent home via Option C.

### **H. CELL PHONES**

Cell phones may be brought to school provided that the student brings a note from their parent(s), which will be kept on file, acknowledging that their child may have the phone at school.

Cell phones must have a durable cover.

Cell phones must be checked in at the school office or with the morning adult supervisor upon arrival and students may pick up the phones at dismissal. This is a courtesy. Abuse or misuse of this policy will result in a loss of permission to have the cell phone at school.

Cell phones may not be used on the school bus and must be kept in the students' backpack.

## **I. CURRICULUM AND SCHOLASTIC INFORMATION**

St. Brendan School strives to give students a quality education in all the basic skills as well as in other areas, which enrich the students and help them form well-rounded lives. The core curriculum of St. Brendan School includes Religion, English Language Arts, Grammar and Composition, Spelling, Public Speaking, Phonics, Math, Health, Science, Social Studies, Penmanship, Art, Physical Education, Music, Spanish and Technology.

Students are required to adapt to the established curriculum and textbooks used by St. Brendan School when transferring from another school.

## **J. CUSTODIAL/FAMILY SITUATION - RELATIONSHIP WITH THE SCHOOL**

St. Brendan School is finding an increasing number of families experiencing transitions in parental custodial relationships. For this reason, we find it necessary to clarify and re-state the usual procedures followed by the administration and faculty dealing with parents in such situations.

In two-parent families it is assumed that both parents are living at the same address unless we have been notified otherwise. St. Brendan School personnel will, therefore, send home notices, communications, etc. with the child. It is assumed that both parents are communicating regarding the child and that all information is shared by and between the parents. This information includes but is not limited to conference appointments, report cards, discussions with school personnel and tuition statements.

In families experiencing separation of parents, or pending divorce, the above information will be sent home with the child to whichever parent currently has care of the child. It is assumed that this information is shared by the parents and between the parents. Since this situation frequently impacts on a child's achievement and interactions at school, parents are asked to inform both the principal and teacher of this fact so that appropriate support can be given to the child. St. Brendan School personnel cannot proceed to hearsay, rumors, or demands of a parent, but only with the appropriate documentation detailed below.

In cases of an actual divorce decree involving clear custody by one parent, the principal is to be informed by the custodial parent of this fact.

A copy of the entire decree bearing the case number, the pages referring to custody and the relationship with the school, and the final page bearing the judge's signature are to be submitted to the principal. Unless the decree indicates otherwise, school communications will be sent home to the custodial parent.

Custodial parents should understand, however, that unless the divorce decree specifically limits the non-custodial parent's right to access to records, the non-custodial parent has a right to the same access as the custodial parent. We will, unless instructed by a Court Order, release such records upon request to the non-custodial parent. "Records" include official transcripts, report cards, health records, referrals for special services, and communications regarding major disciplinary actions. It does not include daily class work and papers, or routine communications sent through the children to the home of residence.

In these cases, the custodial parent is asked to cooperate with the school and share this information directly with the non-custodial parent. This avoids time-consuming duplication of services.

Further, parents should realize that unless restricted by Court Order, any non-custodial parent has the right to attend any school activity of their child, which includes sports activities and class programs. Parents should keep each other informed as to these activities to avoid duplication of communications and to allow the school to better attend to the duty of teaching your children.

In cases of 'joint custody' (shared parenting agreements) which entitles both parents access to school personnel and activities documentation will be sent home with the children in duplicate, given the court documents permit.

Regarding parent conferences in all custody situations: it is preferred and will be the general procedure that one conference appointment be scheduled 'jointly' if both parents wish to be present. It is assumed that parents are able to set aside differences and to come together on behalf of their child for this time. A

joint conference further insures that both parents are given the same information at the same time, thereby avoiding misunderstanding, and misinterpretations.

In cases where joint conferences are clearly neither possible nor desirable by all parties involved, alternate arrangements may be discussed with the principal, subject to the approval of both parents, and further reviewed by St. Brendan's legal counsel.

Every effort will be made to keep communications open with both parents while at the same time avoiding duplication of services and excessive demands on the teacher's time.

Visitation should generally begin at the home of one of the parents and not at school. It is hoped that visitation arrangements would reflect the sensitivity of both parents to the consistency and routines that foster security in a child and allow for school responsibilities and homework to be taken care of during the school week.

The PTU, when updating the school directory, will send the request forms for information to both parents, given the court document permit. It is the responsibility of both parents to provide the necessary contact information to the school office.

If there are questions concerning this re-statement of procedures or circumstances, you feel necessitate other arrangements, please contact the principal personally.

**K. DOCTOR/DENTAL DISMISSAL PROCEDURES**

A written note is required if parents need their child(ren) to leave before dismissal for a doctor or dental appointment. This note must be submitted to the classroom teacher at the beginning of the day to inform the teacher who will then inform the office. Parents must go to the office to sign out and wait for their child. Children will not be given permission to walk home alone for doctor or dental appointments. Please try to schedule appointments outside of the school day.

**L. ELECTRONIC DEVICES**

Students may not have electronic devices with them on school grounds or on the school buses. These include but are not limited: apple watches, iPods, video games and shuffles(?). Electronic devices brought to the school will be kept in the school office and will only be returned to the student's parent and/or guardian.

When/if the devices are being used for projects, students may check in/out their device when it is not being used for the needed class. The devices may NOT be used or in sight on the school bus.

**M. GRADING SCALE**

A+	100 - 98%	B+	92 - 90%	C+	84 - 82%	D+	76 - 75%
A	97 - 95%	B	89 - 87%	C	81 - 79%	D	74 - 72%
A-	94 - 93%	B-	86 - 85%	C-	78 - 77%	D-	71 - 70%
						F	69 - 0%

**N. LOST AND FOUND**

Lost articles are kept near the entrance of the school. After a reasonable period of time, articles not claimed will be given to a charity.

**O. LUNCH / RECESS**

Grades K-5 11:30-12:12pm

Grades 6-8 12:15-12:54pm

The lunch period offers an opportunity to practice good manners/etiquette and build healthy social skills. The students are expected to clean their own eating space so that the next person using the table will find it in order.

Adult supervisors monitor the lunch/recess period. Because of their responsibility for the safety of the students', they have the corresponding right to correct students for infractions against policies. Students failing to abide by the lunch/recess period regulations may be placed under a lunch/recess suspension by the principal. Depending on the situation, the child's parent may be responsible to supervise them during this time. Student lunch/recess behavioral expectations are available upon request.

Every student is to bring his/her own lunch each day of school if not participating in the hot lunch program. Lunches may not be shared and snacks may not be purchased for another student. Soda pop and energy drinks are not permitted. Lunches brought from home may not be heated for the child at school. Healthy lunch choices are encouraged. Lunch bags or boxes should be properly marked with your child's name and grade.

#### **P. MASS ATTENDANCE**

A twofold goal of St. Brendan School is:

- (1) to enhance the student's religious knowledge of the Catholic Church and
- (2) to draw the student closer to God by experiencing the Sacramental faith commitment of the entire St. Brendan community. These components are:

The Catholic Church holds the Eucharist to be the preeminent sacrament of the Church, the heart and soul of the Assembly. It is presumed a student attending St. Brendan Catholic School is also attending.

#### **Q. MAY CROWNING**

The principal and/or pastor will decide the student(s) crowning the Blessed Mother in the month of May at the annual Mass. The criteria to determine whom this honor is bestowed upon will be based on the following: teacher recommendations, regular weekend Mass attendance and overall display of Christian kindness/Catholicity throughout the school year(s).

#### **R. MEDIA RELEASE**

The media release policy is sent home prior to the beginning of the school year for parents to review and to sign either giving full permission or full exclusion.

#### **S. MESSAGES / DELIVERIES TO STUDENTS**

Please leave messages or deliveries for students in the school office. Classroom instruction is not to be interrupted. Students will not be called to the office to receive a phone call from their parent(s).

#### **T. MONEY**

Money brought to school should be placed in a sealed envelope and marked with the student's name, grade, amount and purpose.

#### **U. NEWSLETTER**

A weekly newsletter will be sent via Option C. The contents will acquaint you with important dates and events that will take place during the week/month. New or changed policies may be given in these newsletters that can supersede those stated in this handbook. Any flyers, order forms and the like will be sent home with the youngest child in your family. Parents that do not have regular access to Edline may request, in writing, a newsletter to be sent home.

On occasion flyers from other organizations are sent home. This is a courtesy not an endorsement of the program.

#### **V. OptionC**

OptionC is an online student management system. It allows parents to log in anytime to see how their child(ren) is doing with class and homework. Grades will be updated weekly and parents will be notified through email alerts. Homework will also be posted through OptionC. Parents who do not have access to the Internet can make arrangements with the classroom teacher to receive the information.

OptionC includes a Parent Alert System. The notification system enables SBS to communicate with parents, quickly and reliably (i.e. newsletters weather-related closings, schedule changes, and reminders).

OptionC is 100% specific to Catholic schools with features such as biblical references and a Catholic Saint of the Day.

## **W. PROMOTIONS / RETENTIONS**

Students, who are recommended for retention, may not be accepted for the next school year if the parents do not agree with the decision and choose to exercise their right not to have their child retained.

Parents of incoming kindergartners are encouraged to consider carefully any recommendations on the part of the preschool teacher to provide the child with another year for maturation prior to entering kindergarten. Emotional and social maturity is just as necessary for a successful school experience as is academic ability. St. Brendan School will support the recommendation of the kindergarten teacher when entering as a first grader.

When carefully examining the academic achievement of individual students, our primary concern is not only the present but also the future well being of the child. It is often the case that a child is improperly placed in a school. The school program itself may not meet the needs of the child, or the child may have been promoted to a grade without the solid foundation needed for success in the higher grade. The result is a discouraged child who is developing a poor self-concept and a dislike for school. In the case of such a student, the teacher will inform the principal to discuss the situation.

If the principal deems it necessary, he/she will meet with the teacher and the school psychologist to determine the best placement for the student. When all aspects of the situation have been carefully considered in relation to his/her education, the parents will be contacted and asked to meet with all school personnel concerned with the child's well being. At that time, the school will make its recommendations for proper placement.

The junior high years are the immediate preparation for high school. In the case of seventh and eighth graders, receiving failing grades in two or more major subjects each quarter, will require the student and parents to meet with the teacher after each quarter to discuss the cause of the failing grades. By the end of the third quarter, teachers, principal, school psychologist and parents should determine if the student is ready for the eighth grade at St. Brendan School or high school. Recommendations based on all available information will be made to parents during the fourth quarter.

Failing grades for eighth graders will be taken into consideration by faculty and administration when completing high school recommendations.

Mathematics, reading, English Language Arts, spelling, social studies, religion, and science are areas considered as "major subjects" needed for academic success in high school.

## **X. REGISTRATIONS**

New families who would like to enroll their child(ren) at St. Brendan School may contact the school office for an enrollment package or go to Edline.org (refer to Edline on page 8) or refer to the school website ([www.school.stbrendannorthholmsted.org](http://www.school.stbrendannorthholmsted.org)).

## **Y. RE-REGISTRATIONS**

Forms are sent home in late January / early February for re-enrollment the following school year.

## **Z. SCHOOL RECORDS**

A permanent record for each student is kept on file, in the school office, and is updated annually.

#### AA. SUNDAY OFFERTORY ENVELOPES

Children need to be encouraged from the time that they begin school to recognize their responsibility to contribute to the support of the church. Offertory envelopes are available upon request at the school office for the students to use on Sundays and Holy Days of Obligation.

#### BB. TARDINESS

Students are considered tardy after 7:55 a.m. and are required to come to the office for an admittance slip.

The principal and/or classroom teacher will meet on an individual basis with students/parents who are chronically tardy. The educational neglect law is violated if excessive or chronic tardiness occurs.

#### CC. TECHNOLOGY ACCEPTABLE USE POLICY, REVISED June 2016

**St. Brendan** makes a variety of communications and information technologies available to students through computer/network/Internet access. These technologies, when properly used, promote educational excellence by facilitating resource sharing, innovation, and communication. Illegal, unethical or inappropriate use of these technologies can have dramatic consequences, harming the school, its students and its employees.

The Acceptable Use Policy is intended to minimize the likelihood of such harm by educating **St. Brendan's** students and setting standards that will serve to protect the school. We firmly believe that digital resources, information and interaction available on the computer, network or Internet far outweigh any disadvantages.

**Definition of school technology system:** The school systems and networks (system) are any configuration of hardware and software. The system includes, but is not limited to, the following:

- telephones, cellular telephones, and voicemail technologies;
- email accounts;
- servers;
- computer hardware and peripherals;
- software including operating system software and application software;
- digitized information including stored text, data files, email, digital images, and video and audio files;
- internally or externally accessed databases, applications, or tools (Internet- or District-server based);
- school provided Internet access;
- school filtered public Wi-Fi; and
- new technologies as they become available.

**Acceptable Use:** Students are responsible for appropriate behavior on the school's computer network just as they are in a classroom or on a school playground. Communications on the network are often public in nature. General school rules for behavior and communications apply. It is expected that users will comply with school standards and the specific rules set forth below as interpreted from this policy. The use of the network is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and utilizing the school's computer resources in accordance with Student Code of Conduct.

**Privilege:** Access to the District's computer/network/Internet is a privilege, not a right.

**Access to communication system:** Access to the school's electronic communications system, including the Internet, shall be made available to students for instructional purposes. Each school computer/device and Wi-Fi (available for students who bring in their own personal telecommunication devices) has filtering software that block access to visual deceptions that are obscene, pornographic, inappropriate for students, or harmful to minors as defined by the federal Children's Internet Protection Act (CIPA). Filtered Internet access is provided to students as defined by CIPA.

**Inappropriate Use:** Inappropriate use includes, but is not limited to, those uses that are specifically named as violations in this document; that violate the rules of network etiquette; or that hamper the integrity or security of this computer/network/Internet system or any components that are connected to it.

Transmission of any material in violation of any federal or state law is prohibited. This includes, but is not limited to:

- cyber bullying;
- threatening, pornographic, harassing, defamatory or obscene material;
- other inappropriate use of technology such as e-mail, social networking, web pages, blog posts, web posts, or discussion forum/replies posted to the Internet;
- copyrighted material, plagiarized material or materials protected by trade;
- the use of hardware and/or software which disrupts or interferes with the safety and welfare of the school community (even if such uses take place after school hours or off school property).

**Vandalism or Mischief:** Tampering with or theft of components from school systems may be regarded as criminal activity under applicable state and federal laws. Any attempt to break the law through the use of a school computer/network/Internet account may result in prosecution against the offender by the proper authorities. If such an event should occur, the school will fully comply with the authorities to provide any information necessary for legal action.

**Modification of Computer:** Modifying or changing computer/device settings and/or internal or external configurations without appropriate permission is prohibited.

**Students Access:** Computer/Network/Internet access is provided to all students unless parents or guardian request in writing to the school principal that access is denied. Students Internet access will be under the direction and guidance of a school staff member. Students must adhere to the following:

1. Respect and protect the privacy of others.
  - a. Use only assigned accounts.
  - b. Decline to view, use, or copy passwords, data, or networks to which they are not authorized.
  - c. Avoid distribution of private information about others or themselves.
  
2. Respect and protect the integrity, availability, and security of all electronic resources.
  - a. Observe all network security practices as posted.
  - b. Report security risks or violations to a school administrator, teacher or network administrator.
  - c. Refrain from destroying or damaging data, networks, or other resources that do not belong to them without clear permission of the owner.
  - d. Conserve, protect, and share these resources with other students and Internet users.
  - e. Get appropriate approval before accessing the network with personal devices.
  - f. Abstain from overriding the Internet content filtering system.
  
3. Respect and protect the intellectual property of others.
  - a. Refrain from copyright infringement (making illegal copies of music, games, or movies).
  - b. Avoid plagiarism.
  
4. Respect and practice the principles of parish and school community.
  - a. Communicate only in ways that are kind and respectful.
  - b. Report threatening or discomfoting materials to a school administrator, teacher or network administrator.
  - c. Refuse to access, transmit, copy, or create material that violates the school's code of conduct (such as messages that are pornographic, threatening, rude, discriminatory, or meant to harass).
  - d. Avoid accessing, transmitting, copying, or creating material that is illegal (such as obscenity, stolen materials, or illegal copies of copyrighted works).

- e. Abstain from using the resources to further other acts that are criminal or violate the school's code of conduct.
- f. Avoid sending spam, chain letters, or other mass unsolicited mailings.
- g. Refrain from buying, selling, advertising, or otherwise conducting business, unless approved as a school project.
- h. Avoid posting or disseminating any harassing, demeaning, threatening or immoral comment or visual injurious to the reputation of the school, the parish, the Church or an individual, whether the action occurs on school property or off grounds.

**School Email and Communication tools:** Email and other digital tools such as, but not limited to, blogs and wikis are tools used to communicate. The use of these communication tools should be limited to instructional, school related activities; or administrative needs. All communications within these tools should adhere to the above mentioned rules.

**The following guidelines must be adhered to by students using a personally-owned telecommunication device at school:**

- a. Internet access is filtered by St. Brendan on personal telecommunication devices in the same manner as St. Brendan owned equipment. If network access is needed, connection to the filtered, wireless network provided by the school is required. Use of 3G or 4G service bypasses the security filter and is considered a violation of the Acceptable Use Policy.
- b. These devices are the sole responsibility of the student owner. The school assumes no responsibility for personal telecommunication devices if they are lost, loaned, damaged or stolen and only limited time or resources will be spent trying to locate stolen or lost items.
- c. These devices have educational and monetary value. Students are prohibited from trading or selling these items to other students on school property, including school buses.
- d. Each student is responsible for his/her own device: set-up, maintenance, charging, and security. Staff members will not store student devices at any time, nor will any staff diagnose, repair, or work on a student's personal telecommunication device.
- e. Telecommunication devices are only to be used for educational purposes at the direction of a classroom teacher.
- f. School administrators and staff members have the right to prohibit use of devices at certain times or during designated activities (i.e. campus presentations, theatrical performances, or guest speakers) that occur during the school day.
- g. An appropriately-trained administrator may examine a student's personal telecommunication device and search its contents, in accordance with disciplinary guidelines.

**Subject to Monitoring:** All St. Brendan network/Internet usage shall not be considered confidential and is subject to monitoring by designated staff at any time to ensure appropriate use. All electronic files, including email messages, transmitted through or stored in the computer system, will be treated no differently than any other electronic file. St. Brendan reserves the right to access, review, copy, modify, delete or disclose such files for any purpose. Students should treat the computer system like a shared or common file system with the expectation that electronic files, sent, received or stored anywhere in the computer system, will be available for review by any authorized representative of St. Brendan for any purpose. Personal telecommunication devices are subject to examination in accordance with disciplinary guidelines if there is reason to believe that the Acceptable Use Policy has been violated.

**Consequences for Violation:** Violations of these rules may result in disciplinary action which may include the loss of a student's privileges to use the school's information technology resources. Users have the responsibility to use technology resources in an appropriate manner. Consequences of misuse or abuse of these resources will be disciplined depending on the severity of the situation. In addition to school disciplinary action appropriate legal action may be taken.

**Supervision and Monitoring:** School and network administrators and their authorized employees periodically monitor the use of information technology resources to help ensure that users are secure and in conformity with this policy. Students have no expectation of privacy with respect to the use of technology

resources. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks in order to further the health, safety, discipline, or security of any student or other person, or to protect property. The school administration has the right of access to any electronic devices brought onto school property. They may also use this information in disciplinary actions and will furnish evidence of crime to law enforcement should one be committed.

**Agreement Form:** In order to ensure the proper use of technology resources, it is necessary that each user and parent/guardian annually sign the attached Student Acceptable Use Policy – User Agreement Form. The signed form must be on file at St. Brendan before Internet and other technology access is permitted. Signing the form indicates that the user will abide by the rules governing Internet and other technology access as stated in this policy.

The school reserves the right to issue additional or more detailed rules for the use of technology resources, and violations of such rules may be a cause for imposition of any of the penalties delineated above. The school reserves the right to seek financial restitution for any damage caused by a student.

#### **DD. TELEPHONE USE**

Telephone use by the students is for emergencies only with the permission of a faculty or staff member. Students will not be called to the office to receive a phone call from their parent(s).

#### **EE. TEXTBOOKS**

Textbooks need to be returned in acceptable condition at the end of the school year or parents will be responsible for purchasing a new book. The teacher and/or principal will determine the condition of the book. Textbooks must be covered; contact paper may not be used.

#### **FF. TUITION/FEES**

Tuition is the primary financial resource that supports the school program. Tuition is utilized for salaries, supplies, maintenance of the building, etc. It is important that every family have the resources to pay tuition before enrolling their child(ren) in the school. Tuition is to be paid on a 12-month basis. Delinquent tuition accounts will be cause for dismissal from the school. The annual, non-refundable fee, per student must be paid for your child(ren) to be considered enrolled at SBS.

#### **GG. TUITION ASSISTANCE**

The total cost to educate a child at St. Brendan School is much higher than what our tuition rate covers. Every family who has a child enrolled in our parish school is given tuition assistance from the active members of our parish community. This allows our tuition costs to be minimal.

Beyond this assistance, those families who are in need of further financial aid should seek help by applying through SMART. This application is made directly through the Diocese of Cleveland. If families qualify, financial assistance comes from the Diocese as well.

#### **HH. TRANSFERS / WITHDRAWAL PROCEDURES**

When moving or transferring out of St. Brendan School sufficient notification must be given to the school secretary or principal. A copy of the permanent record card will be sent to the receiving school upon request from the new school, providing all financial obligations are up to date.

## **II. SCHOOL DISCIPLINE**

### **A. CATHOLIC SCHOOL DISCIPLINE**

Discipline in the Catholic school is to be considered as an aspect of moral guidance. The purpose of discipline is:

1. To provide a classroom conducive to learning (i.e. completion of academic assignments and

homework).

2.To promote character education and self-control.

## **B. DISCIPLINE POLICY**

A St. Brendan student should be noted for his/her courtesy. True courtesy is born of Christian charity and is prompted by consideration of others. School authorities have an obligation to expect wholesome respect from their students and a spirit of loyalty and consideration. Students should show respect to each administrator, faculty and staff member in the school as well as to those people who serve in a supportive role. In turn, each student is to be treated with dignity and respect by peers and faculty.

A student is offered equally with every other student the opportunity to develop his/her particular talents to reach their potential. We ask parents to support and reinforce these goals through cooperation with the school community.

## **ARTICLE I -CODE OF CONDUCT**

### Definitions of Discipline:

Discipline is controlled behavior designed to develop within individual responsibilities for his/her own actions in accordance with socially accepted conduct. If the student is readmitted, he/she will be on a probationary status, and/or on a behavior plan.

Parents must provide an environment conducive to study at home and assist the child(ren) in being consistent with good study habits and responsibilities.

An open line of communication is also very important. Parents should first bring concerns and questions to the teacher involved and then to the principal if need be.

The after school program will be conducted until 6:00 p.m. on days’ school is in session. A registration fee must be

paid and required paper work must be completed prior to a child being admitted to the after school care program.

This needs to be paid at the time the service is provided. If this courtesy, of using the program without being registered is abused, you will be notified by the director and required to register. The director of the program and the school principal will determine if a family is in violation of the Good-Will Policy.

## **B. BLIZZARD BAGS**

The State of Ohio permits schools to utilize 3 home kits (blizzard bags) in the event that we exhaust the 5 calamity days that we are provided. Students in grades K-8 will complete assignments provided by their teacher. The assignments are marked in the order that they are to be completed (Day 1, then Day 2, and lastly Day 3) if school is cancelled. At the teacher's discretion, the assignments may be posted on Edline (just assignments, not copies of any papers), given to you in a hard copy format or both.

Your child/ren will have 3 days to complete one blizzard bag.

Any student who does not return a book issued to him/her will be required to pay the full amount of that book.

## **D. CONFERENCES**

Parents who would like a conference with either the teacher or the principal should send a note or email requesting a date and time to have an appointment scheduled. We ask that you not come in to conference without advanced notice; this distracts the teacher from his or her teaching responsibilities and/or preparation time.

Parent Teacher Conferences are scheduled twice during the school year. Parents are required to attend the first quarter conference to keep abreast of their child's progress. If a parent would like to have a conference with a teacher at a time other than the regularly scheduled conference, please make arrangements with the classroom teacher.

## **E. DAILY SCHEDULE**

7:30 a.m. - school doors open

7:50 a.m. - first bell

7:55 a.m. - classes begins

There is no outside supervision of students before school. Students may not enter the building until 7:30 a.m. We ask that you do not allow your child to wait without adult supervision prior to the building being open to students.

Once dismissed, students are not permitted back into the building unless: they have a pre-scheduled sports practice, an appointment with a teacher, a detention, after school club, are in the after school care

program or have prior permission from the principal or the homeroom teacher. This includes coming back to school for forgotten homework.

**F. GRIEVANCES** Statement regarding policy for seeking reconciliation of personal grievances. The pastor is the person ultimately responsible for the administration of the parish school. This responsibility is shared with the school principal. Should a situation arise concerning a personal grievance, the following steps are to be taken in seeking reconciliation.

When a grievance arises between a parent and a teacher, they are to first meet to settle the issue. If either party feels the issue has not solved the problem, it should be referred to the principal. Then, the parent, teacher and principal will meet. If after this step has been taken, and the problem is still not resolved any of the parties may refer the issue to the pastor.

However, at each level all persons should be present to assure that all sides of the issue are given a hearing and can be answered.

On this third level of reconciliation, any of the persons involved may request the presence of two additional parties. These are to be agreeable to all people involved; pastor, principal, teacher and parents.

### **G. HOMEWORK ASSIGNMENTS**

Homework assignments are usually given in grades Kindergarten through eight, Monday through Thursday. Weekend homework may be assigned to grade eight in order to better prepare them for high school. Weekends are ideal for long-term assignments and/or projects in all grades. The time and subject allotment for each grade differs, but is usually according to the following:

Kindergarten	as appropriate
Grades 1 - 2	30 minutes, on average
Grades 3 - 5	one hour, on average
Grade 6	90 minutes, on average
Grades 7 - 8	two hours, on average

\*Some students may need more than the average time allotted.

Students will not be permitted to take out library books if they have not returned past due books or owe a late fee.

### **J. PSYCHOLOGICAL SERVICES**

Psychological testing is available at Saint Brendan through state funding of Parochial Schools through the State of Ohio. The school or the parent may initiate the referral. Parental consent is required for all testing.

Depending on the circumstances underlying the referral, the student may be recommended to receive the services of other psychologists and/or psychiatrists. In such an instance, the parents are responsible for the cost incurred by these services.

### **K. RELIGIOUS EDUCATION**

Students receive daily Religious instruction as well as Spiritual formation throughout the school day. The religion text used meets with the approval of the Office of Catholic Formation and Education (OCFE).

The teachers are encouraged to use supplementary texts that are approved by the (OCFE) Religious in order to provide a well-rounded religion curriculum.

Students in grades 1 - 8 attend mass twice a month beginning in September. Students in Kindergarten begin attending class/school masses in January.

Parents and guardians have an obligation to report to the school administration when any child has been diagnosed as having AIDS (Acquired Immune Deficiency Syndrome), ARC (AIDS Related Complex), or other illness caused by HIV (Human Immune Deficiency Virus that causes AIDS, also known as HLTVIII or LAV).

In order to protect confidentiality, when a child with AIDS is admitted to school, the information provided to the school personnel, who need be aware of the child’s condition, should be the minimum necessary to assure proper care of the child. 3. Children walking home from school are to use the cross walks.
4. Remember charity, respect, and patience in dealing with each other in the parking lot.

Your cooperation is essential to insure the well-being of your child.

When it is not possible, the proper forms and required information need to be completed before medication may be dispensed to your child. If a prescribed medication needs to be administered during school hours, both the attending physician and the parent must complete the proper form.

## **U. SUBSTANCE ABUSE POLICY GUIDELINES**

St. Brendan School recognizes that alcohol and drug abuse are serious societal problems, which do not respect any group or age, and that the dependency stage of alcohol and drug abuse is a treatable illness. Health and social problems of youth are primarily the responsibility of the family. In an effort to provide a drug free environment, we, as educators in the Church, call ourselves to charity and compassion for the sick and concern for each student. We also recognize that we have an obligation to the common as well as the individual welfare of our pupils.

Continuing educational programs for parents, teachers, and students convey the message that drug and alcohol abuse are harmful and usage is not permitted. Prevention programs are implemented at all grade levels. Appropriate sanctions will be imposed on those who violate any of the provisions of this guideline or any local law or statute concerning illegal or controlled substances.

## **V. VIRTUS PROGRAM – Protecting God’s Children**

“The Protecting God’s Children program consists of many components. The education component helps prevent child sexual abuse by first making every adult employee and volunteer aware of the issues surrounding child sexual abuse. This includes awareness of the many ways that sexual abuse harms its victims, their families, the parish, and the community. The awareness session also helps adults learn to recognize the warning signs of abuse, and shows them the appropriate way to respond to such behavior. Finally, the awareness session empowers each with five steps to help prevent child sexual abuse.”

## **W. VISITORS**

Visitors must come to the school office upon arrival, sign-in accordingly and announced if it is an unscheduled visit. ## **X. WEAPON POLICY**

In furtherance of the overall philosophy, goals and objectives of the Catholic educational experience, St. Brendan School has adopted a policy that expressly prohibits the use, possession, sale, or discharge of any weapons, look alike weapons, objects that may be used as weapons, dangerous ordinances instruments or explosive devices in the school, or on school grounds, or at school-sponsored activities.

This policy shall apply to all students, participants in parish programs, teachers, volunteers, administrators, and other personnel in the school parish. This policy includes, but is not limited to the following and their look alikes: any firearm, a knife of any size, deadly weapon or an object that is indistinguishable from a deadly weapon, or an explosive or incendiary device. An object that is indistinguishable from a deadly weapon is prohibited if a person indicates that he or she possess the object and further indicates that it is a deadly weapon or the person brandishes or displays the object and indicates that it is a deadly weapon.

As defined by state law, a deadly weapon is “any instrument, device, or thing capable of inflicting death, and designed or specifically adapted for use as a weapon, or possessed, carried or used as a weapon” (O.R.C. 2923.11A). Firearms shall include any loaded or unloaded gun of any caliber or type. This prohibition also includes any pistol, rifle or other device that uses air gas propelled projectiles.

Violations of this policy may warrant notification of the police, immediate suspension, and possible expulsion. If possession of a weapon is suspected, the principal or other administrator should immediately contact the police department before confronting the individual. If it is determined that this policy has been violated, the parents of the offender shall be immediately contacted and must cooperate with the disciplinary process.

Disciplinary action includes but is not limited to immediate in- or out-of-school suspension, pending investigation and resolution. If the student’s infraction does not warrant immediate dismissal, then the parents may be required to sign a probation contract that includes all conditions of the student’s retention at the school.

Possible terms of this probation agreement may include professional counseling, participation in a community program addressing youth violence, suspension from extracurricular activities, and any other conditions deemed appropriate by the administration of the school or parish program after recommended consultation with the Diocesan Education Office.
