

Daily Homily
Exaltation of the Holy Cross
Feast
23 Ordinary Time, Thursday
[14 September 2023](#)

Forty days ago today, we celebrated the Feast of the Transfiguration of the Lord, it was on a Sunday this year. That feast helped us to anticipate today's feast. The Transfiguration was a taste of Jesus' glory so that the Apostles do not get discouraged when they come to face the reality, the tragedy, the scandal of the Cross.

So much could be said about this feast, however, I don't want to overdo it.

One thought for us today... from Saint Padre Pio, "Under the cross, one learns to love."

Let's spend some time under His Cross, let's ask Him to help us and teach us the value of love. Let us ask Him to teach us how to truly love.
