The FEST is not just a one day event. It is an opportunity to inspire and energize teens, young adults and families in our region – for the entire year.

# GENERATIONS OF FAITH & FAMILY!

It seems like yesterday that my niece was sitting in the front row of The FEST for Mass. She and her friends were proud that they were “front row sitters.” Nineteen years later, my niece is bringing her own three children to The FEST and, as always, they will work their way to the front row for a great day of faith, family and fun – The FEST.

**Each year we select a theme for The FEST. This year it's 'Generations of Faith & Family.'** It's more than just the passing of years and generations. It's more about the important work that each generation has to pass on to the next generation(s)... the richness of faith and family values.

This year our prayer is that we will use The FEST to be inspired and renewed so that we can go forth to generate and stir new life, greater faith and a deeper commitment to the values of faith and family. **We are the chosen generation.** Now is the time to step forward to share and pass on our faith in Jesus Christ, our love for God and our deepest desire to have families and community centered, rooted, and alive in the Lord.

Thank you for joining us today at The FEST. Special thanks to wonderful, family-friendly sponsors who make this day of faith, family and fun possible - all for FREE! Please join me in personally thanking our friends at Marc's, Sherwood Foods, Dole, and Barons Bus Lines for their leadership and partnership with The FEST. **Enjoy your day as we celebrate Generations of Faith & Family at The FEST.**

## Apple trees get you apples.

In the case of The FEST, our good friends at Marc's not only have the freshest fruit (at The FEST and in their stores), they have brought to The FEST so many of their own friends and partners. **These wonderful family-minded companies are working under the leadership of Marc's to help create this great day of faith, family and fun...all for FREE.**

**This year, Marc's celebrates its 40th Anniversary.** They have been a part of our community creating a great place for families to shop and find the freshest of fruit and vegetables, and the most amazing closeout items. Even more, they have been partnering with community-minded events and programs, like The FEST, to build a stronger community for all of us.

Please join The FEST in thanking our friends at Marc's for their partnership and support for The FEST. They have brought the best of their friends together to help all of us enjoy this 'best' summer day. **When you shop at Marc's, or visit the Marc's Mom's Relaxation Station or Marc's Fresh Food Fast station at The FEST, please extend a Happy Anniversary to their great team members.**

# SOAP BOX SOAPS

## The FEST is more than just a day.

Our hope is that it inspires us to work throughout the year to build God's kingdom of justice and peace for all.

Our friends at Marc's introduced us to SoapBox and we're glad they did! Quickly the conversation turned to how we can use FEST day to take care of thousands of people in our region who are homeless. **Join us in the Quad, by the Mom's Relaxation Station, where you can help prepare a SoapBox kit for the homeless in Akron and Cleveland.** They will be distributed over the next few months to those in need.

These are the GREAT companies who join us at The FEST. **Working together, we can build a better world for all of God's people.** Thank you, SoapBox Soaps, for your presence at The FEST, and your vision to create a more caring world for all.

SoapBox Soaps was founded in 2010 with a simple mission - to empower people to change the world through every day, quality purchases. For every SoapBox product purchased, one bar of soap is donated to someone in need. Sustainability is key and SoapBox practices this by working with local soap makers, when available, for the bars that are donated.

Compassion International is with us today at The FEST to give all of us an opportunity to learn more about their important work and mission of creating a more loving, caring, compassionate world for all of God's children. They work every day to release children from poverty by providing the support they need to grow and thrive in the ways of the Lord.

## Thanks to Key Bank for supporting The FEST!

When we were looking for a community-minded bank, Key was the first to come to mind – and they were quick to answer the call!

You'll see that Key Bank has sponsored our FEST metrics throughout the summer – and they have a large presence today at The FEST.

**Please stop by their booth to thank them, and learn more about the key to your financial well-being and the great folks they bring to support you, your family and The FEST.**

# GENERATIONS OF FAITH & FAMILY

This year, at The FEST, we celebrate Generations of Faith and Family. The FEST has been around for 19 years. **Together, we have impacted a 'generation' of disciples – followers of the Lord.** High school students who built the stage, or volunteered on FEST day 19 years ago, are bringing their children and friends to volunteer and join us at The FEST. What a blessing to impact the 'people born and living at about the same time' who join us year - after year - for The FEST.

**The FEST has always been a day of faith, family and fun.** Our faith, and our family values, need to be passed on from one generation to the next. Different than the 'next generation of computers', faith and family values are enduring, and so important and true, that they must be carefully passed on and shared. We hope and pray that The FEST helps inspire all of us to share and pass from one generation to the next.

### THINK MEDIA // Brian Glazen

Brian does all the major video production work for The FEST. He's helped The FEST grow and evolve from its first days, after forming his own production company. The apple doesn't fall far from the tree - his dad, Alan, was doing some video production work for the seminary, which led us to meeting 'the next generation'...Brian. He and his team have helped craft The FEST messages that have been a blessing beyond words.

### HUGHIES EVENT PRODUCTION SERVICES // Rick and Rob Kish

Rick Kish from Hughies does all of our staging for The FEST. He has watched his young son, Rob, grow up on The FEST field. Rob was a little kid following in his dad's footsteps. Today, Rob Kish is working at The FEST, this time working with FEST Sponsor Vincent Lighting on all lighting elements of the stage and show. Thanks to Rick and Rob, they help us build an incredible FEST stage.

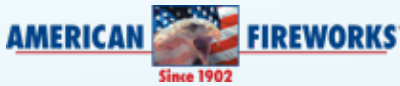

**Speaking of Generations... The FEST is blessed to be supported by some GREAT local, family-based companies, many of which have been in our community for Generations.**

These families, and their companies, represent 'Generations of Faith and Family'. They dedicate their time and talent to serve the community – and make The FEST possible!

**AMERICAN FIREWORKS // The Sorgi Family**

A family owned and operated business since 1902. Over 4 generations of Sorgi's have been involved in the family business. To this day, the family remains passionate about fireworks, serving the community – and inspiring FEST attendees with an amazing fireworks show.

**BARONS BUS // The Goebel Family**

The Goebel Family has been in the transportation industry for over 30 years. The entire family is involved in some aspect of the busing and transportation business.... They love what they do because they love to give back – and be a part of peoples 'big moments'. From weddings to family trips to special events, Barons Bus and the Goebel family are part of all those big days. They pride themselves on providing safe, clean and comfortable transportation for all their clients – who soon become like family themselves! Today, Tom Goebel runs the company with his sons Patrick and Christopher. If you drove on a Barons Bus shuttle to The FEST – be sure to thank them on your way home!

**MILANO MONUMENTS // The Milano Family**

Milano Monuments celebrates its 50th anniversary this year! Since 1969, three generations have served and cared for thousands of families celebrating and remembering the life of a lost loved one. The Milano difference is their family commitment to a sincere, heartfelt connection to their customers, who often become friends. Built on strong principles of faith and family, the Milano family is a proud partner of The FEST!

**MAROUS BROTHERS CONSTRUCTION // The Marous Family**

Marous Brothers Construction began in 1980 when Chip and Scott Marous started their own carpentry business and has since transformed into a large and dynamic construction company, based in Willoughby. Two generations of Marous are now in the family business, building homes, commercial buildings, community centers and churches. Marous Brothers is all about relationships – and we're grateful for their commitment to the community!

**There are so many other companies in our region grounded in family values who help make this great day of faith, family and fun....all for FREE...possible. Special thanks to:**

**TOM KURTZ // The Kurtz Family**

**QWESTCOM GRAPHICS // The Day Family**

**KING NUT COMPANY // The Kanan Family**

**ORLANDO BAKING // The Orlando Family**

**CHURCH BUDGET // The Pidgeon Family**

**OLMSTED ICE // The Dickson Family**

**MARIA GARDENS // The Stopper Family**

In so many ways, these companies are at the heart of The FEST and our theme this year of Generations. We pass on, from one generation to the next, that which matters most... the values of faith and family. It's what The FEST is all about, and it's the core values of these wonderful partners and friends.

# ONE WILL GET YOU TWO

**We are called to be wise and good caretakers of God's creation.**

From the first pages of the Bible, God entrusted to our care all that God had made. Some companies really understand that responsibility. Kimberly Clark is one of them.

**As part of their sustainability efforts, for every tree they harvest for their products, they plant two in its place.** At the end of The FEST, they will send 5,000 of us home with Tree Saplings that we can plant in our yards. They will be a wonderful reminder of FEST 2019 and, hopefully, something that stands strong for years and generations to come.

**We are so blessed to have the support of Kimberly Clark.** Check them out in the Marc's Mom's Relaxation Station. You will find them by looking for the TREES.

Let's use FEST 2019 as a moment of reflection. **How best can we all take care of God's creation and create a cleaner, healthier, more eco-friendly world for all?**

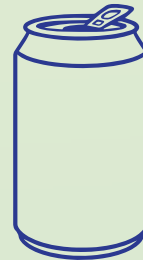

On average, ONE supermarket goes through

**60,500,000**

paper bags per year!

**THINK GREEN – use recyclable shopping bags!**

Aluminum can be recycled continuously, **as in forever.**

Recycling 1 aluminum can save enough energy to run our TVs for at least 3 hours.

80 trillion aluminum cans are used by humans every year...

**RECYCLE those pop cans!**

**RECYCLING 15 glass bottles**

saves enough energy to power a laptop for 31.3 hours or run the A/C for 1 hour.

**THINK before you throw away any glass!**

## THE CHOSEN GENERATION

**It's now our time to step up and pass on to the next generations what matters most...the values of the Gospel – our faith – and our family.** How can you use The FEST to inspire you to 'step up' and make sure we are working together to create families and communities filled with Godly values.

### **OUR FAMILY AND COMMUNITY:**

will pray...*if we pray.*

will serve...*if we serve.*

will be kind and compassionate...*if we are kind and compassionate.*

will be more respectful and caring...*if we respect and care for others.*

will have Churches that are thriving...*if we are dedicated and committed to the work of the Lord.*

Our schools will be peaceful...*if we are instruments of God's peace.*

**It's our time to impact the next generation by the way we live, love, serve and care in the ways of the Lord.**

## SPECIAL THANKS!

It is a huge challenge to keep The FEST free and open to all!

Please take time to personally thank the sponsors and vendors you see here today.

Their commitment to the community makes this incredible day possible. Send them an email, a letter, or when you are in their store, let them know how much you enjoyed The FEST 2019! Your appreciation will make all the difference!

## BE KIND, STICK TOGETHER!

Last FEST, we introduced an amazing program, "Be Kind, Stick Together". It's a helpful, free program for schools to create a more caring and respectful school community by character education. After The FEST, all sorts of schools, across our region, brought Project Love and this program to their students/schools. It's had a great impact IN our region.

They are back with us today in the Mom's Area. Stop by to learn more about ways you can take the "Stick Together" pledge and share this program with your school community.

Learn more and find a signup link at [www.TheFEST.us/outreach](http://www.TheFEST.us/outreach).

## CHIPS & DIP

This year The FEST is introducing The Dip Jar. It's an easy, safe, convenient way for you to support The FEST so we can come together again next year on Sunday, August 9, 2020.

It's as simple as dipping a chip into dip. The machines located around the FEST grounds are preset to make a \$20 donation to The FEST. Simply insert your credit card. It will process and you are done.

The FEST has impacted you and a whole generation. Help us keep The FEST strong alive for next year and the generation to come. Your support will make all the difference.

So please make use of the Dip Jar....a safe and convenient way to help you help support The FEST.
