

Winter News

Saint Brendan School PTU

Thank you to everyone who was able to attend the second PTU meeting of the year. This newsletter is an overview of what has happened so far in 2022 and what is coming in the next few weeks. After our January PTU meeting a 2023 newsletter will come out with all of the exciting things we have planned for the new year.

By now most of you have filled out the parent survey. THANK YOU! Melissa is going through these responses and will share the results at the January meeting. Your input and feedback is greatly appreciated!

Each event in 2022 has been a success thanks to all of our SBS families and community. Looking back at all of the pictures, it is great to see how many events we were able to offer in 2022 and to know we have much more coming in 2023. Thank you all for your continued support of PTU and these events for our children.

Have a wonderful Christmas break. See you all in 2023!
