Dear Sponsor:

St. Brendan's 2023 Navigators on the Move Walk-a-thon raises fund for educational programs, particularly our Art, Music, and Maker Space programs, along with maintenance of our classroom technology. Participants will walk ½ mile laps around the parish grounds for approximately 1 hour. For convenience, we suggest flat donations, rather than pledges per lap. Please make checks payable to St. Brendan School. Your donation is tax-deductible.

Thank you very much for your support!
